ZATIARAS JUICE

LOGO SYSTEM & PROTECTION

Version 1.1

A consistent logo creates a stronger and more recognizable Zatiaras Juice.

01

Standalone Z-Cup

Use for icons, social media, favicon, and small spaces.

02

Primary Lockup (Horizontal)

Use as the main brand logo on most applications.

03

Wordmark Only

Use when the icon is not required.

ZATIARAS JUICE

Clear Space & Alignment

Always maintain a minimum clear space around the logo, equal to the height of the "Z" icon (from the official asset). Keep the area free from text, images, or other graphic elements.

Clear space (minimum)

Clear space (minimum)

Clear space (minimum)

Do / Don't

Follow these simple rules to keep the Zatiaras Juice logo consistent and impactful.

DO

Use official SVG only

Always use the provided official logo files (SVG) for the best quality and clarity.

DO

Keep clear space

Maintain the minimum clear space around the logo at all times.

DON'T

Don't stretch or condense

Do not scale the logo non-proportionally. Always keep the original proportions.

DON'T

Don't rotate or rearrange

Do not rotate, tilt, or change the order of the icon and wordmark.

Buahnya Berasa.

COLOR SYSTEM & USAGE MODES

A vibrant and consistent color system that brings Zatiaras Juice to life.

BRAND COLOR PALETTE

Heritage Magenta
#FF1081
Our signature color. Bold, modern, full of life.

Fruit Cream
#FFF8EC
Clean, warm, and versatile background for all communications.

Fruit Ink
#241A20
Primary text, headlines and key information.

Dark Berry
#B80057
Supporting brand element for depth and variety.

Deep Green
#173C35
A natural balance color that reflects freshness and quality.

PRODUCT ACCENT COLORS

Avocado Green
#9AC43C
Used for avocado and green-based products.

Mango
#F4A629
Used for mango and tropical products.

Coral
#F45B45
Used for seasonal flavors and supporting visuals.

Product colors are accents only. They do not replace the primary brand colors.

COLOR USAGE MODES

Three official ways to use our colors, depending on the communication purpose.

MODE A

Magenta Brand

For campaign, promo, launch, and attention-driven communication.

MODE B

Cream Information

For menu, price list, information, and operational materials.

MODE C

Product / Photo

For product-first social posts, delivery thumbnails, and food content.

OUR COLOR PRINCIPLE

Magenta owns recognition. **Cream** owns information space.
Product color builds appetite. **Fruit accents** support, not replace, the core brand colors.

GRAPHIC LANGUAGE SYSTEM

Buahnya Berasa.

Three distinctive brand devices work together to create a consistent, expressive and recognizable visual language for Zatiaras Juice.

01 | Z-FLOW

PRIMARY GRAPHIC DEVICE

Z-Flow is a fluid, expressive graphic element inspired by the Z-Cup symbol. It brings movement, freshness and energy to brand visuals, creating a distinctive and ownable look.

02 | CUP-LIP BAR

SECONDARY GRAPHIC DEVICE

The Cup-Lip Bar is a simple, versatile graphic element inspired by the lid of our cup. It is used for framing, highlighting, and organizing content across brand materials.

03 | Z-CROP

OCCASIONAL GRAPHIC DEVICE

Z-Crop uses a cropped portion of the Z-Cup symbol as a bold, abstract graphic frame. It adds visual interest, strong brand recognition, and a modern, dynamic composition. Use it occasionally for key visuals and standout layouts.

PRODUCT IMAGERY & CUP BRANDING

Fresh Ingredients. Real Flavors. A Brighter You.

Buahnya Berasa.

Our product imagery brings Zatiaras Juice to life — fresh, natural, and full of goodness. Every cup is a celebration of real ingredients and a healthier, happier lifestyle.

APPLICATION QA / DO & DON'T

Keep Zatiaras Juice consistent, recognizable, and premium across every touchpoint.
Use this guide to ensure correct application of our brand.

DO

DO IT RIGHT. KEEP IT BRIGHT.

Use official SVG assets only.
Always use the official logo files provided by Zatiaras Juice.

Keep original proportions.
Do not stretch, squish, or change the logo's structure.

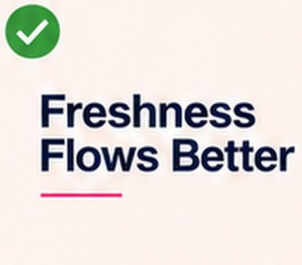

Use the official horizontal lockup.
Use the approved horizontal logo as the main format across touchpoints.

Maintain clear space.
Keep minimum clear space equal to the height of the Z symbol on all sides.

Use the correct cup branding.
Use one-side branding with the Z-Cup symbol on the left of the wordmark.

Use approved typography only.
Use the official brand typefaces and styles provided in the master files.

Use realistic product imagery.
Use high-quality, real product photos that reflect our standards of freshness and quality.

Use approved messages only.
Stick to official messaging from the brand. Keep it simple, positive, and true to Zatiaras Juice.

DON'T

AVOID THESE MISTAKES.

No AI-redrawn logo.
Do not recreate, redraw, or use AI-generated versions of the logo.

No stretch, skew, or rotate.
Do not distort the logo in any way. Keep original proportions and orientation.

No arbitrary recolor.
Do not change the logo colors. Use only the official Magenta version.

No stacked or rearranged logo on cups.
Do not change the layout or placement of the logo on cups or other materials.

No clutter close to the logo.
Do not place other text, icons, or graphics too close to the logo. Keep the area clean.

No citrus or extra ornaments added to the logo.
Do not combine the logo with fruit imagery, icons, or decorative elements.

No fake or unrealistic product color.
Do not use unrealistic colors or heavily edited product photos that misrepresent the brand.

No unapproved claims.
Do not use unverified health claims or promotional messages. Stick to official approved messaging.

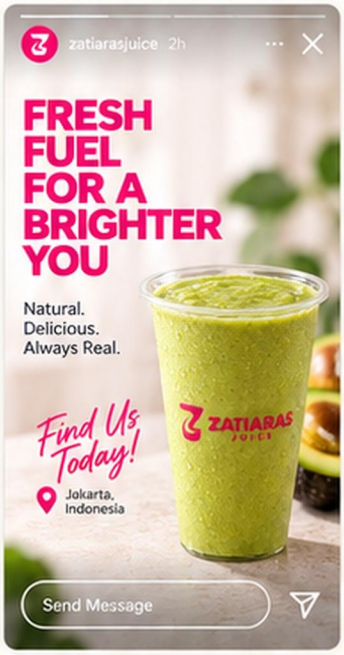

TOUCHPOINT APPLICATION SYSTEM

A consistent and recognizable brand experience across every customer touchpoint.

INSTAGRAM FEED (4:5)

Product-first, one message, one proof, one CTA.

INSTAGRAM STORY (9:16)

Product + offer + location + CTA.

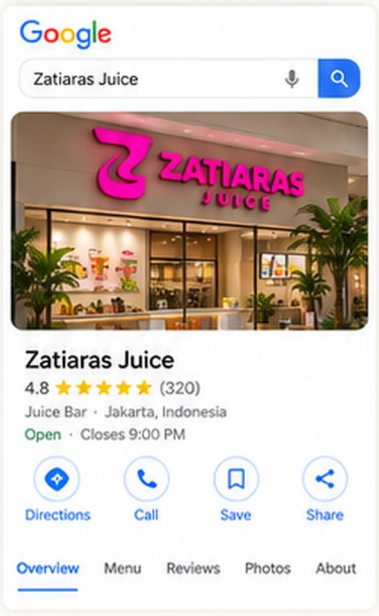

REELS COVER / SHORT VIDEO

- Readability at 5 m distance
- Readability at 15 m distance
- Day test (natural light)
- Night test (illuminated)
- Color consistency with brand standards
- Photo documentation (front, side, wide shot)

03 | PRINT & COLOR PROOF

Ensure color, material and print quality match the brand standard across all touchpoints.

Transparent Cup Print | Vinyl Signage | Coated Print | Uncoated Print | Mobile Screen (Digital)

04 | SMALL-SIZE DIGITAL TEST

Verify that the logo remains clear and recognizable at small sizes.

96 px (Recommended minimum) | 48 px | 32 px | 24 px

DO NOT MASS PRODUCE UNTIL PHYSICAL PROOFS ARE APPROVED.

All production (cups, signage, print, packaging, etc.) must be validated through physical proofs to ensure brand accuracy, quality, and consistency.

ASSET HANDOFF, GOVERNANCE & FINAL QA

A controlled handoff system for consistent, high-quality brand execution.

SAME BRAND. BRIGHTER TOGETHER.
